

# THE RANGE OF **ENGINE CONTROLLERS** from **POWER EQUIPMENT**

**Specifically designed to  
suit Yanmar engines  
in Australian and  
New Zealand  
conditions.**

**PE - NANO**

**PE - MANUAL**

**PE - AUTO**

*The range of Engine Controllers represents a significant upgrade in technology, functionality and physical appearance. The sturdy enclosed case on the PE-MANUAL and PE-AUTO has a weather seal to protect against dust and water. The PE-NANO, with its open style enclosure, is rated at IP65 for longer protection.*
